timgale.me

tim@timgale.me

+447801241045

An advocate of user centred design, Tim brings a foundation of creative thinking and collaboration to deliver tailored web experiences.

EXPERIENCE

Sky

User Experience Designer
June 2015 - Present

Collaborating within a cross discipline agile delivery team to continuously iterate and improve the user experience of account management across Sky.com. Responsibilities include user journey mapping, prototyping interface concepts, conducting user research sessions and mentoring colleagues.

Thap

User Interface Designer
June 2012 - June 2015

Responsible for design direction on a multitude of web and mobile projects, with strong focus on user interaction. Defined an internal design process to guide the user experience strategy for each project. Crafted and maintained scalable UI patterns to bring consistency and promote reusability.
